COMMENTS

1. All rates are net prices. VAT is calculated in accordance with applicable regulations.
2. A **Lufthansa Cargo service charge** (as per PL KTW/WAW - Lufthansa Cargo agreement**) of 14EUR** / MAWB shall be added to all export and import handling charges.
3. In case of handling the goods outside the warehouse (labeling/presentation at the UC), a fee of **75 EUR min or 0.04 EUR/kg** will be charged (the basis is the payable weight of the goods) + shipping fee according to the price list.
4. In case of withdrawal of the shipment, a handling fee will be charged in accordance with the price list.
5. The maximum load capacity of a forklift is **8000** kg. For handling heavier shipments, please send inquiries via e-mail
6. The maximum size of the shipment for security check is **180x180 cm**. For larger dimensions, it will be necessary to prepare the goods for manual security inspection
7. 8.The dimensions of the room (KTW) for the storage of VAL consignments are **540x280x280cm**, and the door frame is **120x200cm**.
8. Office and warehouse opening hours - information available at https://silvercargo.io/
9. In the case of notification of import shipments, this should be done no later than 15 minutes before the office closes so that the documents can be processed and transferred to the warehouse.
10. Offer valid from 01.01.2026 until further notice
