COMMENTS

1. All rates are net prices. VAT is calculated in accordance with applicable regulations.
2. A **Lufthansa Cargo service charge** (as per PL KTW/WAW - Lufthansa Cargo agreement) of **14EUR** / MAWB shall be added to all export and import handling charges.
3. In case of handling the goods outside the warehouse (labeling/presentation at the UC), a fee of **50 EUR min or 0.03 EUR/kg** will be charged (the basis is the payable weight of the goods) + shipping fee according to the price list.
4. In case of withdrawal of the shipment, a handling fee will be charged in accordance with the price list.
5. The maximum load capacity of a forklift is **8000 kg**. For handling heavier shipments, please send inquiries via e-mail
6. The maximum size of the shipment for security check is **180x180 cm**. For larger dimensions, it will be necessary to prepare the goods for manual security inspection
7. 8.The dimensions of the room (KTW) for the storage of VAL consignments are **540x280x280cm**, and the door frame is **120x200cm**.
8. Office and warehouse opening hours - information available at <https://silvercargo.io/>
9. Offer valid from 01.04.2025 until further notice
